Dear Mr. Clarkson:

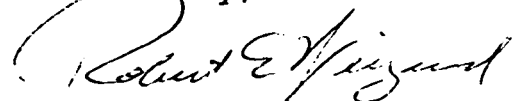

This letter is in reply to your letter dated September 5, 1990 requesting additional information regarding our firm's supplemental statement for the six-month period ending June 30, 1990.

The miscellaneous public relations work referred to in the response to Item 11 consisted of giving advice to our principal regarding public relations techniques.

The attachment to this letter gives the title, and the name of the respective agency or business, for 260 of the 269 names in Item 12. Since most of these names were purged from our computer databank, we had to reconstuct the list to comply with your request, which took considerable time and effort. We reconstructed about 97% of the list, and it is impossible for us to complete the remaining 3% (nine individuals).

If you have any questions, please feel free to call me.

Sincerely,

Robert E. Weigend
